Impeach Roosevelt: Repeal the New Deal Laws

The Beacon Light - August 1939

C H A T S

By the Editor

During the past six months we have turned away over a hundred people who wanted astrological readings. The few for whom we have done readings have had to wait three and four months. Friends, my life is too crowded to be able to do justice to astrological readings. Unfortunately, I did not know anyone who was sufficiently acquainted with the spiritual side of astrology, to be willing to recommend them. I know there are many who claim to be teaching spiritual astrology; but when it comes to a showdown, they will tell you that Jesus Christ was a myth, and not a living reality.

I know this is going to bring me criticism, but I can not help that. Astrology is something more than mathematics; that something is spirituality. I know many astrologers who know more about the science than I do, and yet I have been more accurate in my predictions. Why? It is because I am an inspirational (spiritual) type of astrologer. A purely mechanical astrologer is of very little value, because it is absolutely impossible for the mind to successfully blend all the elements of a chart.

Now, after more than six months of careful scrutiny of the work of Dr. Frederick Hathaway, of Vancouver, I find him in complete harmony with my own ideas regarding the science of astrology. Dr. Hathaway has the time and the ability to render satisfactory astrological advice. His charges are less than mine, and I believe he is a better astrologer. His fee is \$10.00 for a life analysis, and \$10.00 for a year's prediction, providing the correct time of birth is known; if correct hour is not known, there is an extra charge of \$5.00 for rectification. No astrologer, no matter what his ability, can afford to do it for less. Even at that it's only common laborers' pay for the time he puts in, to say nothing of the years of experience. So I am saying to those of my friends who have asked me for readings, Dr. Hathaway will be more than pleased to take care of your needs. His address is, Dr. Frederick Hathaway, 2147 Granville St., Vancouver B. C. Canada.

And while on the subject of Dr. Hathaway, we have some material from his pen which will be published from month to month, representing the teachings of the Aryan Astrological Occult Church of Christ (A. A. O. C. C.) which will revise your ideas of God and religion and science. I have contacted numerous mystical schools for

the past 30 years; but none of them compared with the teachings given out through Dr. Hathaway. I had long since given up the idea that I would ever contact any group teachings that would completely appeal to me, as do these, perhaps with minor exceptions. And to the many new readers we have acquired, we would urge that you get a copy of the January number, containing the first of this series, resumed in the May number.

The consensus of opinion, by not only our readers, but leaders in the realm of religion, science, philosophy and economics, is that The Beacon Light is the best balanced magazine before the American public today; and in all modesty we believe so too.

I may say we are getting wonderful results from the sample copies that you are sending your friends; so in order to encourage you we are again repeating our offer of last month, on the January number only, of 10 copies for \$1.00. We have a surplus of them, because we printed a double edition. The February number was sold out before the month was out, and reprinted in permanent form, under the title Origin and Destiny of the Jews. The March and April numbers were nearly all sold out, although we printed an extra number. The May number is sold out and we have re-printed a second edition in permanent form under the title Coming Events. For the June number we doubled our usual quantity, and still have a few hundred of that number left.

This is a remarkable showing. Most of the credit for the increase in our circulation is due to the efforts of our readers and friends. The large amount of research work necessary for putting out the magazine made it necessary for us to discontinue our astrological service and the amount of time we spend in selling merchandise is almost down to zero, except as it comes through the mail. In the month of May we travelled nearly three thousand miles, all of which was for missionary work, speaking engagements, etc., and none of it for selling merchandise; so from now on, practically the whole of our time must be devoted to the magazine.

We have only a few MONTHS—not years—left for preparation; for the wrecking crew is all ready to walk in and tear down the old man-made structure. And those of us who have been teaching the laws of God will commence practical operations in building up the new order. This will be done by little groups here and there who move out of the large cities and put the laws of God into practical demonstration in their everyday life. You would be delightfully surprised if you knew our plans for the future. All I can say is, you have many surprises in store for you in the next few months.

The new order of things will come through men and women who, through knowledge of astrology and the Pyramid, have learned some of the the hidden meanings of your Christian Bible; and it takes these two keys to unlock the door. Astrology, the Pyramid and the Bible will be the basis of a new scientific Christianity. The hidden mysteries of the Bible will throw confusion into the ranks of the theologians with their speculation and guess-work; and we shall have much to say about the subject of scientific religion, the religion of the Aquarian Age. The teachings we have been and are presenting will stand the test of the coming upheaval.

Millions of people are hungry for just such a message as we are putting out. I find many fine people, with logical minds, in the ranks of the communists because of their bitterness toward religion as presented by the theologians of today. We recently addressed a group who, while they did not call themselves communists, were all students of Karl Marx and Adam Weishaupt; and they seemed surprised that I could tell them the literature they had been reading. I spoke to them for 1½ hours, and then for another 1½ hours I let them bombard me with questions. I left them in a very puzzled frame of mind; but before the meeting adjourned, they asked me to come back and give a series of talks; so you see even the students of Karl Marx are not hopeless. Some of them of course are vicious; but many of them honestly desire the truth. **not even one**

We believe the series of articles by Dr. Hathaway will do much to satisfy the desire for knowledge of thousands who are now in the enemy's camp. I don't blame the communists for being mad at the religionist of today; I've been mad at them myself, and disillusioned for about forty years. Your so-called Christian churches are just as much Babylonian as the Jewish synagogues; it's only a matter of degree. I don't blame the materialist for being disgusted with organized religion; the churches have failed miserably, and will go down to destruction with the old order of things, as they should.

The Beacon Light is the advance guard of a new order of religion, based on knowledge rather than belief. Belief has led us into a ditch; knowledge presents the ladder by which we shall get out. Only a lack of knowledge has filled the Communist party and thousands of other subversive groups, such as the Ballards, Father Divine etc. There is no relief in sight from the religionist—the theologian—and none from the politician. We must go out into the great open spaces, and build up working models of the new order, based on the laws of God and nothing else. Each working model will be as a beacon light to the rest of the world; and as the old order crashes to destruction, thou-

sands will flee to those working models for a haven of refuge.

The day is not far distant when the Editor of the Beacon Light will take a part in the practical building up of such working models. For years, many of you have asked me where to go, and when; in the very near future we are going to answer those questions. In the meanwhile, see that the thousands who are filled with despair get the message of hope as presented in The Beacon Light. We have repeatedly told you that the application of the laws of God will bring order out of chaos. Our Bible has been spiritualized to the point that there is nothing practical left; and yet it contains the laws of practical economics, to be applied to our everyday life.

Correct C The only way we can avoid a bloody conflict here in America now is the impeaching of Roosevelt and the repeal of the whole New Deal

It is tragic, as one reads the morning paper, to see the daily list of suicides, the majority of which are due to poor health. Medical science has failed them, and they are in despair, and so take their life. And yet, such a simple thing as elimination of the starches and sugars and stimulants, and going onto a raw vegetable juice diet, would change these people into happy, healthy citizens. It is indeed tragic to see talented men and women taking their own lives because of ill health.

The science of raw juice therapy is sweeping the country like a prairie fire. There are thousands of opportunities for men and women to make a business of supplying this need, and at the same time to have the satisfaction of knowing they are saving people's lives. Ill health is the result of man's interference with the food that nature has provided. Why not spread the gospel of good health, first by practicing it yourself, and then by passing it on to your neighbors? If there are any so-called incurable sick people in your neighborhood, tell them about the juices.

IMPEACH ROOSEVELT **and Repeal the New Deal Laws**

We have been criticized by some who are devoting all their time to fighting Communism, because they considered we waste time on astrology. Well, the smashing blows received by the Roosevelt administration the last few days in June are a fulfillment of my astrological predictions of the last few months, and especially in the June and July numbers. The time has come, and I hope every patriotic journal in the land will have liners in every page of their paper, "Impeach Roosevelt; Repeal the New Deal Laws". Alas, I fear Congress will have adjourned before this appears in print.

program. You ask on what charge? Friends, the charges are too numerous to mention; pick out any one that suits you, and go to it. Briefly, he has violated his oath of office, not once, but hundreds of times. Under the present New Deal set up, any election in 1940 would be a farce, just as the election of 1936 was a colossal hoax and no election at all.

✗ Impeach Roosevelt, repeal the New Deal laws, and throw out of office all the Communists, Jews and others, appointed by Roosevelt. There are enough New Deal laws on the statute books to make it impossible for the American people to ever express themselves freely at the ballot. Real Americans are villified and smeared long before election day, so that their defeat is insured in advance. Look at what happened to Winrod at the last election; at Roosevelt's purging tactics—which were not a 100 per cent success, even then.

✗ If the average American knew the Red records of thousands of government officers they would pick up a baseball bat and march on Washington to clear them out. If we never published anything before, the August number of *The Beacon Light* should convince you that your country is in the hands of the alien enemies. This "Impeach Roosevelt and Repeal the New Deal Laws" slogan, if started now, will by the time Congress reconvenes, (assuming they have adjourned) put some backbone into Congress. They still have the power to save America, providing you convince them that you mean business. Either they will do their duty, that they were elected for, or vigilantes will do it for them. I do not agree with many of my colleagues, that it is necessary to go Fascist, or Nazi; why not go American?

✗ It was necessary for America to rebel against the tyranny of King George III; and unless Congress carries out their sworn duties, to protect the Constitution and the liberties of the people, patriotic citizens will convince them that they can do the job themselves. Jew-controlled England is now guiding the policies of America. There can be no mutual co-operation between the various branches of the Anglo-Saxon race, as long as they are Jew controlled, although I am in favor of that co-operation once the Jew control is broken, because it is so written in the Scriptures, that we should and would work co-operatively. At present I would no sooner trust Jew-controlled England than I would a rattlesnake, although God knows we have nothing to brag about here in America, for our Jew-inspired alien administration is just as untrustworthy. The Anglo-Saxon people, the world over, must regain the liberty they once enjoyed under the laws of Israel. There can be no peace, liberty of action or freedom of speech, once the Israel laws are set aside.

Let me emphasize once again: nearly three thousand years ago the Jews departed from the laws of Israel. They were then only a small handful. What are now known as the Anglo-Saxon or Nordic people continued to follow the laws of Israel, to a degree; and so we find the most advanced people of the world among the Anglo-Saxon people. This is in keeping with the promises of the Scriptures.♥ Jews are Mongolian anti-Christian people. At least 75 per cent of them haven't a trace of original Hebrew blood in their veins; for tens of thousands were forced to embrace Judaism for fear of death in different times of history. You will find one instance in the Book of Esther, which I have quoted many times before.

Roosevelt, and most of his key men, in and out of the Cabinet, either have this Mongolian blood in their veins, or are under such control. They are devoting all their time, energy and money to rooting out the Israel laws from our culture, schools and government. The Bible has long since disappeared from your public schools; and I recently discovered that in all the resort hotels, where Jews congregate, the Christian Gideon Bible has disappeared. Let me quote the manager of one of the leading hotels in Los Angeles, the one where Tom Mooney was recently a guest during his stay. I have been watching this hotel for several years, and I find that all the leaders of the Socialist and Communist movements make this their headquarters. When asked why there were no Bibles in his hotel he said, "It's an old foggy book." He was then asked what he would do if a guest asked for a Bible. He replied, "Get one if we could, and put it in the bill."

We intend to compile a list of the hotels on the Pacific Coast which have outgrown the Bible, and then publish them; for the Christian people of this country have a right to know which hotels have gone over to the Talmud. The Jews are only 2½ per cent of the population. How long will they keep their doors open on Jew money?

Again I say, let every patriotic journal in the land print this slogan: "Impeach Roosevelt; Repeal the New Deal Laws." Have it printed on your stationery, and in six months we will have the country Jew conscious. We intend to carry out this suggestion ourselves. Another suggestion: have a rubber stamp made, and stamp it on every piece of literature you send out.

In the meanwhile, let us get our legal talent together, and frame the grounds for impeachment. We have taken it on the chin long enough. The best defense is offense; let's attack. This campaign can reach tremendous proportions even before 1939 has expired. As an astrologer, I would say that Roosevelt was never so vulnerable to

attack as now. It would take very little to entirely smash the whole New Deal regime. What are we waiting for? The firing squad to clean us up? If we allow the New Deal program to be completed, and it is now 95 per cent complete, all who believe in Christian ethics will be exterminated, whether you are leaders or not.

This is written from a sick bed, where I have laid for the past two weeks. I am told I should rest. Do you mean to tell me that any man with red blood in his veins, and the inspiration of our Christian background before him, can lie down and rest? My doctor tells me I am committing suicide; my friends say likewise. All right, let it be so. I will not rest, until the whole damnable Talmudic, Babylonian system is swept away. Friends, I can not rest; it is much easier to die than to stand serenely on the sidelines, with such a horrible spectacle before me.

What are we waiting for? Again, I say,

ASTROLOGY IN REVERSE

On Saturday, June 17th, the blow fell; I was laid low with a stroke, which paralyzed the right side of the face, affecting the sight and hearing and with loss of control of all muscular action on that side. As early as last month I knew I was going at a terrific pace; and as recorded in the July issue, I went to the Health Education Institute for a thorough check-up, to see what damage had been done. At the conclusion of the check-up I was told that the heart showed the result of strain; that there was slight blood pressure; and that a few other effects were indicated on the liver and spleen. At the conclusion young Dr. Empringham said, "How long do you expect to keep up this killing pace? I couldn't stand it for one week, and I don't know how you do it."

I told him the raw juices had enabled me to get away with murder. He replied, "There is no substitute for sleep and relaxation, and you are not getting enough of either, for from your own statement you are only averaging four hours sleep a night, and not that while you are traveling, getting up as you do at four, and with your speaking engagements not getting to bed before 12, 1 or 2." Well, in May I had practically a whole month of traveling, and with practically no juices, and there is where the trouble came in. Had I been getting my juices every day, I do not think this would have happened, but I didn't. My work in the Jeffers case almost doubled the burden, and

I had two other things almost as big landed on my shoulders. Each of these battles was a life-and-death matter, liberty, honor and reputation at stake for the individuals involved; and I dared not rest. I was like a sentry at a trusted post, who must carry on until relieved or the battle won. I would do it over again.

Today, two weeks later, I am able to sit up. Thank God my brain still works, but I can not use my eyes at all, and that its a great punishment to me; and the extra burden on friend wife makes it impossible for her to find time to read to me. Unless I get substantial support soon, there will be no Beacon Light because there will be no editor. You say, "Why don't you rest, and give yourself a chance?" Can a warrior rest in the thick of battle? No, a thousand times no. I prefer to die in action, for as long as I have breath in my body I can not rest in this critical hour.

You who read this, can do a whole lot to lighten my burdens. If every reader were a subscriber, that alone would help tremendously, for more than two thirds of our readers have never subscribed, but simply borrowed the magazine. But if every reader would not only subscribe himself, but get one other subscriber, we would have nothing to fear. Do you realize how much we have improved the magazine since the end of last year? This has practically trebled our expenses. When we started to print it, we figured wo would print a 32-page magazinue, as that was as much as we could afford; but we couldn't hold it down, thre was so much vital matter, and now we are giving you a 48-page, well printed magazine, with no paid ads, to support it; so today The Beacon Light is not even meeting its printing bills. I know a number of Beacon Light subscribers who have bought vegetable juicers from others. Friends, we need that business; but obviously I can not continue the strain of selling merchandise by traveling all over the state of California, and taking care of a tremendous mail which has more than doubled since the first of the year alone, and also continue to do the tremendous amount of reading and research wory to conitnue to give you a creditable magazine.

I can't stop if I wanted to; the moment I stop the whole machine collapses. Rest and juices will put me back on my feet. I also want to add, I have received tremendous benefit through absent treatments from my good friend Dr. Oliver Humphreys, one of the best spiritual healers in the country in addition to being a Chiropractor. I have also received help from Janeski Robenoff, of the Society of Divine Metaphysics in Los Angeles.....I was conscious of the help received, and want to thank them publicly. Personally, I do not value my life,

but I would be deeply grieved to have to drop out at this crucial hour in our national existence. So I say, a very little help from each one of you would make it possible for me to continue without endangering my life.

As we have repeatedly told you, everything we hold dear is at stake. We have many subscribers who are considerably in arrears. If you can pay, will you please do so at this time? There are some, I know, who can not. I am sorry to say we have a lot of money due us from some of our dealers, amounting to nearly two hundred dollars. I am not condemning, I am stating where we stand.

The enemy is now planning the finishing touches; and our national existence will be settled one way or the other, before 1939 is out, and not at the election of 1940. There are enough bills now before Congress to complete the picture, after which there is nothing you can do.

As I dictate this, I do not think my eyes will permit giving you any astrological material this month. This is July 1st, the deadline for the printer; fortunately I got an early start and had the rest of the material prepared before I was taken down.

In either the May or June Beacon Light we told you to watch Hitler this fall. I am quoting from memory as far as I can remember Hitler's chart. In my opinion Hitler will create a situation more intense than that of September 1938. Every country in Europe will again mobilize, and the world will be holding its breath, expecting a declaration of war any day; but there will be no war. His demands will be met. His demands this time concern Central Europe, possibly the Polish Corridor or the free city of Danzig. Remember, I am merely quoting from memory, for chart work, even a moment's application, causes intense pain in the good eye; the right is almost useless to me.

Now, friends of the Beacon Light family, and we are all one family, I am taking you into my confidence. I have told you exactly what the situation is; and with practically no self denial on your part, you can relieve the pressure and make it possible for me to live and to continue. We could get advertising by compromising; but this would defeat the very purpose of The Beacon Light, so that's out. I am eagerly, prayerfully, awaiting your answer. What shall it be?

ASTROLOGY COMES OF AGE

By Elbert Benjamine, President of the Church of Light

For a very long time almost any periodical or materialistic scientist running dry on ideas could get a bit of applause by giving astrology a resounding kick in the seat of the pants. Astrology had become something of a vicarious stooge, on which anyone whose regular stooge was absent could vent his coarse witicism.

And astrology was largely to blame for this, because masquerading under its name there were fortune-tellers, charlatans, and a wide variety of quacks who had no competent knowledge of astrology.

Now the real astrologers have changed this, and as a result press and other attacks against astrology are subsiding. In the spring of 1938 there was started a Seven-Years-Campaign For Astrological Prestige and Legal Recognition. Since that time three objectives have become accomplished facts:

1. A Standard of Practice has been established which requires an Ethical Standard Astrologer either to use a birth-chart erected for the time of day of birth, or inform his client conclusions reached are incomplete.

2. Standard Astrology, with which an Ethical Standard Astrologer must be familiar, is defined in Minimum Requirements of Astrological Education, which has been endorsed by about 98 per cent of the astrologers and astrological students of America.

3. Not only fortune-tellers and charlatans, but also quack astrologers rapidly are being separated in the public mind from Ethical Standard Astrologers.

In due course of time it is the aim of the astrological organizations co-operating in this campaign to get legislation passed by which only those who have passed an examination indicating they are familiar with STANDARD ASTROLOGY, can acquire a license to practice astrology. As in other professions, this will protect the public from those ignorant of the calling they follow. Such legislation will not determine the method used by the astrologer in his practice; but it will insure his understanding astrology.

To get such legislation passed, it is essential first that the public shall become fully aware of the difference between the quacks and exploiters who affect astrology, and Ethical Standard Astrologers. We must let the public know that an Ethical Standard Astrologer now has a code of conduct and standards which are as strict as those of law, religion or medicine.

THE BEACON LIGHT—For August, 1939
THE TRUTH ABOUT HITLER
and the
PRESENT WORLD CRISIS

11

(An A. A. O. C. C. Teaching)

Adolps Hitler, upon whom so much depends at the present time, is a reincarnation of one of the lords of the dark race of Lemuria, and one who fell very low in sin, as is shown in his horoscope by the adverse ray of Saturn in Leo to Venus and Mars in Taurus, and the conjunction of Venus with Mars in Taurus. His susceptibility to psychíc vibrations is a quality that he has carried over from previous lives in Lemuria. Now he is caught in the grip of forces he himself generated in the past. Through dieting, meditation, concentration and strength of will, he is in close contact with the Invisible World, though his Mentors through whom he draws his power and guidance all belong to the dark age of Lemuria, the Lemurian Race, the Third Root Race of the A. A. O. C. C. nomenclature. It is this Third Root Race that is the Race of the Biblical Cain. His mentors are not of our present Aryan Root Race, which springs from the line of Seth, and through whom the promised Deliverer will come.

It is this deep inner subconscious knowledge that lies concealed in the deep recesses of his brain, of the seed of Cain and the Black Age of Lemuria, that asserts itself in his intense hatred for the Jews; for the Jews of today come from the race of Cain and Lemuria as pointed out in other lessons. Long, long ago, before even the Atlantean period began, when the Third Root Race, the Lemurian Race, flourished, the Jews (under another name in this very ancient age) were the cause of Hitler's downfall. His destiny always has been and always will be tied up with the Jews. He belongs to them, is a part of them, and will always be bound with them.

To understand the man the world knows as Hitler, it is necessary to go back many, many lives to previous ancient races of mankind. Ages and ages in the past, even in the Lemurian Age, he rebelled against the Jews with whom he was associated at that time, and in different incarnations since then, he has been oppressed by them, while in others he has oppressed them. The karmic ties that bind Hitler and the Jews are so strong and the Karma so great that he will not be free of it until the last Jew has been regenerated and brought into the fold. For the path to the true occult sanctuary is OPEN TO ALL, be they Jew or Gentile, Christian or Mohammedan, Chinaman or Englishman, German or Frenchman. The opportunity to partake of these spiritual gifts is there for them if they will accept it. If they refuse these advanced teachings, as so many do, then they

must continue to make the Ceaseless Round of Birth and Death through pain and suffering for countless ages, until they at last find the SECRET DOOR.

Hitler is a very old soul, and one of the oldest attached to this planet. He has had many, many chances, but always his head has been better than his heart. He has developed along the line of head (knowledge—intelligence) to the detriment of the line of heart (Love—Wisdom), with the result that he has almost annihilated his own soul.

Woe to the inhabitants of Fa (Earth). Woe to the false prophets and false teachers, the wandering stars who neither perceive, know, nor understand the truth. Woe to all workers of iniquity who have persecuted my people, who worship gods of gold, gods of silver, gods of brass, stone; who can not see the light of the TRUE ETERNAL UNCHANGEABLE ONE. WOE TO THOSE WHO HAVE HAD THE LIGHT AND REFUSED IT. The time is at hand. The forces of the Infernal trinity of Mars, Pluto and Vulcan will shake the earth like it has never been shaken before. The mountains will tremble, the hills will be made low, the fruitful place will become a wilderness and the cities will be broken down. For it is ordained that the Protecting Hand that has been holding back the powers of darkness will be withdrawn. The Spirit of God will not strive with man; the Angels, Lords, and Gods of Light will depart from human activities and leave mankind to its own fate, and all that will be left will be Gods of Darkness, the Dark and Dangerous Dugpas, the Lords of the Black Face. Woe to mankind for it is rapidly singing and drinking itself to destruction. The Voice of the SOUNDLESS ONE will be heard no more.

The True Social Incorporate Christian State can not exist without Christ, for there can be no permanent peace or happiness without Christ, for Christ is a Principle that speaks. God has given to man a Free Will, and not even the Masters can interfere with man's Free Will; yet Hitler does what even They dare not do. By his doctrine that the STATE HAS ALL RIGHTS and the Individual no Rights, no Freedom of Action, he destroys both the individuality and the soul, and reduces man to automaton and nothing more than a cog in the wheel of the machinery of State. His State philosophy or religion applies only to this earth, and is entirely without Christ, as if any religion could exist without the power of the Spirit of Christ.

Hitler's co-partner Mussolini, another Martian who has the dark side of Scorpio ruling at his birth, with his ruling planet Mars conjoined with Saturn in Gemini in the 7th section of the horoscope

square with Uranus in Virgo in the 10th section of the horoscope, and his co-ruler Pluto linked with Saturn, in the 7th section, is building the same karma and creating for himself the same doom as his partner in the north. While Mussolini's soul is under the rulership of Mars, as is shown by his Moon being in conjunction with Mars and Saturn in Gemini, Hitler's soul comes more forcibly under the rulership of Pluto, as is shown by the strong ray of Pluto in Gemini to the Moon in Sagittarius. That these Plutonian forces are controlling Hitler and through him controlling Mussolini, is shown by the opposition of Pluto in Hitler's horoscope to the Moon and Jupiter and by Hitler's Pluto **being on Mussolini's Jupiter and Saturn**, and Mussolini's Pluto being in conjunction with Saturn. The Plutonian vibrations are by far the strongest in the lives of these two men, and completely overrule the finer spiritual vibrations of Venus, Jupiter and Neptune.

It was the planet Pluto that was ruling in the Dark Age of Lemuria, and it is again coming into power; and among its first souls who will reincarnate on this planet **to bring about the destruction of the Aryan Root Race** if possible, are to be found Hitler and Mussolini. If at all possible the Forces of Darkness will carefully camouflage their activities or True Work, under the banner of Light, thus they set themselves up as Liberators and Deliverers of the oppressed. Thus to cloud the understanding, they cover up their work by "Social Reform", the creation of a better State; for if they did not do this, then their **true mission** would very soon be revealed and they would lose their power, for they would have no followers. Thus Mussolini sets himself up as the "protector of Islam" and Hitler sets out on his "ideal" of a "purified Aryan Race"; and the people, not having the true occult knowledge to judge for themselves, are carried away by their "high ideals". Their vibration and their Mentors are of Lemuria and Pluto. Pluto is the POL-LUT-ER; and what greater work can these dark forces do than pollute the Christian Ideals with false, dark and dangerous teachings of Pluto, which teachings have already destroyed one great civilization.

The people (Moon) of the totalitarian states are forced to do things, as is shown in Mussolini's chart, by the Moon besieged by Mars on one side and Saturn on the other; and in Hitler's chart by the opposition of Pluto to the Moon and Jupiter, and many times by the point of the sword against their will, for they know that if they do not comply, they and their dependents will suffer.

Therefore, the people of the totalitarian states are governed by

fear and trembling. Such obedience is next to hate, and in order to keep them oppressed, all avenues, teachings and lines of thought that would lead them to the truth are closed to them. Through this, the dictators not only hold back their own deliverance, but also the deliverance of the many millions of souls in their power. The enemies of Light will always hold back the Light (Knowledge), for only in this way can they keep their hold on the people. Hitler and Mussolini are agents through whom part of the World's karma will be worked out.

With the total eclipse of the Sun April 19th, 1939, which falls within one day of Hitler's birthday and in opposition to his Ascendant, and with the total eclipse of the Moon May 3rd, 1939, which falls on Mussolini's Ascendant and 7th house, and which will most certainly have a great bearing in the lives and decisions of these two dictators, the world will be turned over to the forces of destruction, and the Infernal Trinity of Mars, Pluto and Vulcan will come into power. In the Infernal Trinity, Pluto is the higher octave of Mars, and has seven times the power of Mars, while Vulcan is the higher octave of Pluto, and has seven times the power of Pluto, and forty-nine times the power of Mars.

Mussolini is a dictator under the influence of Mars and the spirits of Mars, while Hitler is under the influence of Pluto and the spirits of Pluto, and therefore seven times worse than Mars; but another dictator has yet to come, and he will be directly under the ray of Vulcan, AND SEVEN TIMES WORSE THAN HITLER. Hitler is only No. 2 of the Infernal Trinity, and No. 3 has yet to come. He will be directly under the ray of Vulcan, the darkest and most dangerous of all. Mussolini and Hitler are the advanced guards, preparing the stage for Vulcan Dictator No. 3. Roosevelt the Son of A Bitch.

The world is running headlong into destruction and chaos. The dictators will flourish, they will be victorious, gain control of many more countries, and many more millions of people; and by the time the Vulcan Dictator No. 3 of the Infernal Trinity, the greatest of all, appears on the world stage, nearly all nations, white, yellow, black and red, will be dominated by his will.

Unless there is a vast change made in the lives of the people and the Governments, unless the Governments face and solve the vital problems of humanity; unless humanity comes first, and national security business and finance second, unless what has already been given is used to the greatest good of all; there will be no saving of

the world from the terrible world dictator like the Martian dictator who controls all the inhabitants of the planet Mars. Greatness, possessions, money, or an abundance of raw materials, which are being played in the game of international politics, will not stem this tide. For two thousand years Christianity has been taught; but the real occult truth has been held back by the clergy and the Christian religion devoid of Christ. Now the price must be paid.

THE WHAT, WHEN, WHERE AND WHY OF EATING

By Camille Leigh

Man, as he increases his vibratory rate, is destined to live upon the highest offering of the vegetable kingdom, the fruit-bearing trees. At the present time the fruit diet is an ideal not attainable under our present climate and commercial conditions and our pitiful acquisition of diseased physical bodies.

If the entire human race were forced to subsist on its correct diet, great multitudes would perish in the drastic cleansing and purifying process of the divine fire in the fruits in their natural sun-ripened state. All the comfortable old chronic complaints, of which people seem to be so fond, would become acute, and only the fit would survive. At the present time the fruitation diet must remain a goal of the new future race which will usher in the golden age of mankind upon this earth.

But, man has certainly evolved spiritually far beyond the earth-bound diet of flesh, dairy products and heavy starches. This is the diet of crime, uncontrolled passion and the wholesale murder which is known as war among the peoples of the earth. There are many, many people on the earth today who are ready, and I include among that number the readers of this article, for a diet of fruits, nuts, leafy vegetables that grow above the ground, and the juice of tough root vegetables of the earth. As an artificial lily is a sacrilege to beauty, so is cooked, pickled and processed food a blasphemy on nature.

We live in a habit-forming, drab, routine world, from which joy has fled, along with all natural spontaneity. The stomach has become accustomed to being filled by the clock in answer to a perverted appetite as artificial as the food it craves. A natural, healthy stomach will not only tell its owner when to eat, but what to eat, out of the thousands of foods which nature offers, for our choice. In order to have perfect health, a man should eat only when he is hungry. It is only a matter of habit, considering all the individual differences

among men, that he thinks he requires three meals a day at the same time every day. Certainly the regimentation of mankind as unthinking robots upon the face of the earth must soon reach the point of saturation.

A man should eat where he can be most serene and happy. A contented mind is the best digestive insurance. The food should be prepared by loving hands, and not by resentful menials. An artistic touch can do wonders with a basket of nuts, fruits, honey, olive oil and fresh green herbs. No quarrels over burnt toast and boiled-over coffee will mar the honeymoon of those who live on natural food.

Food of this type can be prepared easily at any time according to the natural taste of the different members of the household, and it will become a joyful adventure to chop up and arrange the brightly colored food. The implements for preparation are simple. A grater, a large wooden bowl and chopper, a flaker for nuts and an efficient electric juicer, to extract the life-giving essences from the hard fibres of the root vegetables in sufficient quantities to cure the ills of our sick humanity.

FOR SALE: At the close of our bankruptcy three years ago, the unimproved Real Estate was returned to us as burdensome assets. One such piece, of over 9 acres, is situated on the Highway, 3 miles south of the Civic Center of Atascadero; about 95% tillable. This land, in the early days of Atascadero, sold at a thousand dollars an acre. It is yours for \$50 an acre, or \$450.00.

Also a few building lots at \$100 each; these lots originally sold at a thousand dollars each.

TYPEWRITER SPECIAL: Recently the Remington Rand company discontinued what we considered their finest model. We were assigned two out of their stock of this discontinued model, and we are keeping one for our own use. This machine is half way between a Portable and a Standard model: weighs about 16½ lbs. It has all the features of a Standard machine, and yet it is light enough to carry around; in fact they supply a carrying case for this model.

The price, with case, was \$79.50, without case \$73.50. Our price to you for this one machine, is not \$79.50, but \$65.00 Cash: or without Case, \$60.00.

If you are interested you had better send us a wire to hold it. This is a bargain.

FROM OUR READERS

From a reader in the South:

"In a previous issue of The Beacon Light you made mention of going into two unsolved problems; I believe one was finance, the other sex. And I have been watching, hoping it would soon appear. So many elemental minds it appears could be enlightened on this subject and be benefitted by light on this much misunderstood subject."

We hope at some time to go into the subject of sex in the magazine; but it is a tremendously big job, and calls for a lot of research work.

BOOK REVIEWS

ENCYCLOPEDIA OF MEDICAL ASTROLOGY: By Dr. H. L. Cornell

This book has been out of print for several years, and second hand copies have been selling at a premium. The author, Dr. Cornell, passed away early in the year, and requested his family to publish a new edition of this masterly work, which is the result of a lifetime of study.

Every astrologer, and every student, should have a copy of this book; it has no competitor. It contains nearly a thousand pages, and to the practitioner it is invaluable. It took a man with a medical background, as well as one well versed in Astrology, to produce this monumental work. The first edition sold for \$25.00 a copy; this second edition, of 1000 copies, is priced at \$10.00 per copy.

Inasmuch as there has been a crying need for this book for many years, we believe the edition will soon be absorbed, and your chance of securing a copy gone, as it is extremely doubtful if there will be another edition, at least for several years. It is our pleasure to endorse the Encyclopedia of Medical Astrology, by the late Dr. H. L. Cornell. If you can not afford to pay all at present, send a part payment and we will hold a copy for you until the balance can be paid.

OUR GREAT HERITAGE: By W. T. E. Jerrold.

We have received a great many letters requesting dependable Anglo-Israel literature. 'Our Great Heritage, With Its Responsibilities' is a splendid book for beginners on this subject. Incidentally, in our opinion, the Israel message is destined to sweep the English-speaking world like a prairie fire.

This book is simply written, with many illustrations, and carries conviction. It is not a book of theology, it merely gives you the story of Israel as presented in the Bible, together with a great deal of evidence on the physical plane confirming the Bi-

ble story. It will prove more fascinating than any novel you have ever read. It contains some 360 pages; cloth bound, and sells for \$2.25.

THE CASE FOR AUSTRALIA: By W. G. Selkirk.

This is a companion booklet to Wake Up, Australia, by the same author. This book is printed, letter size sheets, 32 pages; the gist of which is, that Australia and New Zealand are faced with exactly the same situation as are we, here in America.; although it does not confine itself to the Australian situation, for it gives a good deal of space to the world movement, especially the British angle. It is well that we should know the story from the standpoint of every nation; so send 25 cents for a copy of The Case for Australia. We also have 'Wake Up, Australia', at the same price.

THE DOMINATION OF BABYLON, LITERAL AND SYMBOLICAL; By David Davidson.

We have spoken a good deal about the Babylonian system from the standpoint of the Bible. This book tells you the same story, from the standpoint of the Pyramid; successfully blended, however, with history and the Bible. This book is an encyclopedia of facts that you need. It is generally conceded that Davidson is about the only authentic Pyramid writer; practically all other Pyramid works are a re-hash of his writings.

There are many illustrations and charts, and it is written in a style that the layman can understand. It is a splendid companion to his 'Hidden Truth in Myth and Ritual' and 'Date of Crucifixion and Era of New Birth'; each of them priced at \$1.00. When you know the message of your Bible, augmented by the Pyramid and astrology, you are invincible in any argument, from any source whatsoever. and there is no contradiction between any of these sources of knowledge. Price \$1.00.

THE WAY OUT: The Sun Publishing Co.

This is not a new book, on the contrary, it is now in its 6th edition, of 15,000 each; so practically 100,000 of these little books are in circulation. Obviously, it must have merit, especially as a large percentage of these have been purchased for gifts by those benefited by the message. Everyone is looking for a way out, in these troublesome days. Briefly, the message of *The Way Out* is what we have been telling you for some time; obedience to law. This booklet merely enumerates these laws, or some of them. I do not hesitate to say that this little book is a gem of spiritual knowledge, emphasizing some of the laws of God. It gives some very practical illustrations of the working of the law. If everybody in the United States had a copy of this little book, and read it and followed its precepts, what a transformation there would be! The price is 27 cents.

THE TALMUD UNMASKED: By Rev. I. B. Pranaitis, R. C. Priest, Master of Theology and Professor of the Hebrew Language, at the Imperial Ecclesiastical Academy of the R. C. Church in Old St. Petersburg.

This is the book you have been waiting for, and is a splendid companion for our Origin and Destiny of the Jews, taken from the Christian Bible. This work is extracts and analysis of the diabolical Talmud, with a detailed historical account of its beginnings, and the additions and growth through the centuries.

The Jews claim there is nothing in the Talmud that teaches hatred and enmity toward Christians. This book gives the lie to that claim. The author foretold that he would be put to death for translating this work, as all others had been up to that date, all down through the ages, and there are records, for everyone who has attempted to translate certain portions of *The Talmud* has been murdered.

This brave Roman Catholic Priest said he knew he was going to certain death, but he preferred death to being

a coward. His predictions came true; he was one of the first to be murdered during the Russian revolution. That this priest had received the best education that it is possible to give an individual, and that he was a scholar, there is no question. It is a very profound piece of work, perfect in all the minute details; a work far beyond the ability of a layman. First, he had to be a scholar in Latin and Hebrew. There is no doubt in my mind that an attempt will be made to suppress this book, just as 'Philip Dru, Administrator' and 'Gabriel Over the White House' were suppressed; so I urge you to get your copy while they are still available. Cloth bound, price \$1.00.

THE TRUTH ABOUT ALCOHOL: By a Biochemist, Dr. James Empringham

This is the fourth of a series we have reviewed by this distinguished author. Dr. Empringham stands alone in his field. He has specialized along lines of which the average doctor knows nothing, especially in the line of bacteriology. Dr. Empringham was originally a medical missionary; and the missionary spirit is the motivating force in his life. When you visit him, at the Health Education Institute, 530 S. Alexandria Ave., Los Angeles, the spirit of friendliness, of happiness and contentment, can be distinctly felt, together with keen, scientific minds in the various departments. He himself is an M. D. but in the various departments you will find biochemists, bacteriologists, chiropractors and osteopaths; and if you are in need of a physical examination, by all means go down and see Dr. Empringham. You will see a man, apparently around 50; but let me tell you a secret, gentle reader: he is close to 80. I'll probably get hell for telling you, because, as he told me, he has a young wife, who objects to his age being known.

We especially recommend you doctors, no matter what school of philosophy you belong to, to go down and have an examination by these experts; and when you get through, you will know, beyond the shadow of a doubt, that the most thorough and scientific

examination that a human can be subject to, is the order of the day at the Health Education Institute. I recently spent practically a whole day with the doctor and various members of his staff, including his son; and when I got through, I considered that I had been privileged to contact a movement, and individuals, dedicated to the serving, educating and healing of mankind. So Empringham, and his staff and his institution, are essentially a Christian medical movement. And I told him, "Doctor, the medical profession are the ones you should work on, rather than the layman"; and I would like to see his institution turned into a school for doctors of all shades of belief.

Now to return to the subject of our review, 'The Truth About Alcohol'. If I should say the book is exactly what the title implies, it would be the best review I could give it. I may say this book is a scientific exposition of the subject. To sum it up, he tells you that alcohol is nothing but the urine of millions of bacteria. Now think that one over; and then send for a copy of the book, and read it. The old soaks will not read it, because they love their booze; but if you have a boy or girl in high school or college, place a copy of it in their hands, also his book on smoking which we reviewed recently. We consider it a privilege to review this and the other books by Dr. James Empringham. The price is 50 cents.

ARMAGEDDON IS AT THE DOORS:

By A. J. Ferris.

This is another of the worth-while series of Ferris books. Here is the answer to the questions you are asking. The contents are as follows:

How the Scriptures suggest that the "end of the age" must take place between 1914 and 1954 A. D.

The Decay of the Turkish Empire is a sure sign of the approach of Armageddon.

The sign of the return of the Jews to Palestine since 1917.

The sign in Joel 2, of the awakening of the land of Palestine.

The sign of preparation for war, coupled with the cry of peace.

What is the Battle of Armageddon, and who will be the opposing forces?

What will happen at Armageddon, when the nations of "Rosh" advance?

Conclusion: What are we going to do about it?

Ferris is considered among the best in the field on the subject of Bible prophecy; but he not only quotes Bible, he quotes facts from our everyday life, showing that the Bible is true. The last chapter is along the line that we have been writing on in The Beacon Light for some time. There are numerous illustrations throughout the book. We especially recommend this book; the price is 40c.

Statement by

**MAJOR GENERAL GEORGE VAN HORN MOSELEY, Retired
before House of Representatives Committee on Un-American
Activities, June 1, 1939, in House Caucus Room, Washington, D. C.**

Mr. Chairman, in complying with your instructions, I have verified all references in the statement I am about to read. Also, to save the time of the Committee, I found I could cut out a number of pages referring to matters already fully covered in my answers to the questions put to me by the Committee yesterday.

I gladly accepted your instructions to appear here without subpoena. It was impossible for me to reach Washington on the date originally set. It was necessary for me to stop over in Atlanta to rest up a little after traveling two weeks, and, especially, to visit a hospital in connection with a bruised ankle—something which had occurred on the trip. I read with much interest the report that this Committee had concluded to adjourn until August. It made me realize that there was nothing in my action which seemed to demand immediate investigation, from the point of view of the Committee. Apparently, the Committee felt that our Republic was safe until August, at least, from being overturned or blown up by me.

From my point of view, the two great problems which confront our Republic today are: First, the battle for honorable peace and the elimination of the campaign of international hate; and, Second, the battle within our gates at home to overcome those subversive influences which are definitely attempting, I believe, to destroy us or to

change our form of government fundamentally. We are the oldest republic existing today in the world. We have made the world's record in the length of our existence. Has our time come now to go? I hope not. But, the handwriting on the wall is as clear as a bell for those who are willing to read the evidence.

An accurate portrayal of what would happen to the world in connection with Communism was written by the Netherland's Minister at Petrograd, who was then handling certain affairs for the British. This communication was received by Mr. Balfour, September 18, 1918, I quote the following from his letter:

"The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilization of the whole world will be threatened. This is not an exaggeration, but a sober matter of fact; and the most unusual action of German and Austrian consuls-general, before referred to, in joining in protest of neutral legations appears to indicate that the danger is also being realized in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all Powers." (British White Paper, Russia No. 1, 1919, Report No. 6, Page 6.)

As illustrating the tremendous power of organized Jewry, it must be noted that the British White Paper referred to was followed by a revised White Paper omitting entirely the reference to the role of Jews in Bolshevism.

The statement in the original British White Paper accords with what United States Ambassador to Russia, David R. Francis, wrote in January 1918:

"The Bolshevik leaders here, most of whom are Jews and ninety percent of whom are returned exiles, care little for Russia or any other country but are internationalists and they are trying to start a world-wide social revolution." (Russia from the American Embassy, by David R. Francis, page 214.)

The Jewish Chronicle (London), of April 4, 1919, also carried an article in accord with both the Netherlands Minister and Ambassador Francis:

S U P P L E M E N T

The August number is just ready to mail out. My eyes have improved somewhat, so I ground out the following, although it was a punishment to my eyes; I just couldn't fail you, so I am having this mimeographed as an additional insert. My strength will not permit me to do justice to this as I would like, so this is very sketchy, as my eyes will not permit any further strain, although it is a month since my affliction; so you see recovery is slow.

THE LUNATION OF JULY 16, 1939

This lunation is a very powerful one, due to the fact that there are 3 powerful planets, each in 1 degree of a fixed sign. We find Mars 1 degree in Aquarius, in opposition to Pluto, and both of them square to Saturn, involving the 2nd, 8th and 5th houses. Saturn is in Taurus, which is the money house of the world; therefore it indicates a financial crisis, one that will not be entirely local or confined to the United States.

Congress will be in a decidedly economical frame of mind; and it will be tough sledding for the Administration for the next 30 days, should Congress remain in session for that length of time. The lunation also falling in the 8th house indicates considerable agitation for relief money; pensions; something for nothing schemes of all kinds; but inasmuch as Mars, Saturn and Pluto afflict the Sun and Moon, their chances are decidedly slim. The country is thinking seriously of mounting national debt, and groaning under taxation; they are money conscious.

Then we have Uranus in the house of labor, rebelling at the economic wave that is sweeping the country. However, it is in good aspect to Neptune, on the cusp of the 10th, indicating that the government will favor labor's demands. Briefly, the months of July and August - the period covered by this lunation - is going to make history in world affairs. Saturn is in conjunction with Hitler's Sun, also with that of the Mikado of Japan, therefore Mars and Pluto are square to that position, indicating that they are in a very discontented frame of mind, and again demand satisfaction in the way of territorial gains.

Our general domestic conditions are improving, as indicated by Jupiter in the 4th and favorable to Mars, Saturn and Pluto.

Unless Congress adjourns before the expiration of this lunation, the President is likely to receive something in the nature of a knockout blow. The period around the 23rd looks very significant, as the Sun comes up to the opposition of Mars, and of course afflicting Pluto and Saturn also.

Roosevelt

The position of Mars throughout the month of August is somewhat favorable for Mr. Roosevelt's dictator complex, for it is exactly trine to his Pluto, which is posted in the 9th house, giving him an insatiable desire for more power; and Jupiter in the 7th gives similar testimonies. The time is not quite ripe for the final blow.

Saturn in his 8th house indicates considerable trouble in connection with money matters, especially that of taxation. The chief thing he has to contend with is the Sun transiting his 11th house; as July closes and August opens up, it squares his Saturn and opposes his Venus, where it will irritate considerably, because the progressed Moon is in that vicinity. Most decidedly, the first week in August is not a very happy one; in fact I would say the first half of the month. He is going to be pretty hot under the collar around the 4th, and around the 10th, this time over money matters; and again around the 21st, as the Sun squares his Pluto and opposes his Mercury.

Mussolini and Hitler

The Mars-Saturn-Pluto combination indicates Mussolini very much excited over foreign affairs; but it is more marked in the chart of Hitler. As we told you several months ago, the late summer and fall will see Hitler again on the warpath. Saturn is now right over his Sun, on the cusp of the 7th; and Pluto, the ruler of plutocrats and dictators is square to that point, favorable to Neptune and Pluto from the 10th, so he is dreaming dreams of more territory. And Mars is on the cusp of the 4th, squaring and opposing these points, and trine to Neptune; and this lunation squares his Mercury and Uranus, with Uranus on the cusp of his 1st; so he is feeling like a fire-cracker, ready to go off. Additional testimony is in the position of his progressed Moon, opposing his Sun and afflicting these 3 major planets. To sum

it up, this indicates a major crisis, more outstanding than the one a year ago; however, as we stated before, there will be no war, but Hitler will gain more territory. However, should his bluff be called, we do not think he could sustain his position, but would meet with disaster. His only hope of success is in a sudden, swift seizure; in other words, a quick victory. He would practically have to win in the first 24 hours of the conflict, by some swift action.

His moves will receive much popular support at home, with the transiting Jupiter sextile to his Jupiter at birth as well as to his Moon. But the position of Saturn indicates that his support is a long way from 100%; and in my judgment he is nearing the end of the journey - certainly within two years. And he will die as he lived: swiftly and suddenly.

Japan

Just a word about Japan. This coming crisis will undoubtedly affect Japan, because Saturn is within orb of the Sun and Venus in the Emperor's chart, and Jupiter on the cusp of the 4th, but afflicting its own position, indicating considerable difficulty with acquired territory; nevertheless, she will acquire more.

Here again we see evidence of a tremendous financial struggle. Financially, all these dictator nations are in a very critical condition; but then, we have nothing to brag about, ourselves. The Emperor has Mars on the cusp of the 2nd, indicating that they are spending more freely than they can acquire it; and Pluto is on the cusp of his 8th, indicating excessive taxation.

YOU AND YOUR ASPECTS

For August, 1939

The aspects, on the days when the Moon passes through the 4 fixed signs, are very vicious, and the newspapers will give the proof of that statement. The dates are as follows: 1st, 13-14, 19-20-21, and 26-27-28. On those dates the Moon is adverse to Pluto, Saturn, Mars, Mercury, Venus, the Moon and Uranus, in other words, adverse to 8 out of 10 planets. If your birthday falls in the sign of Leo, Aquarius, Taurus or Scorpio, watch your step, for there are 7 planets in fixed signs, all adverse

to each other, and 3 of these are powerful malefics. This will stir up the criminal activities of those so inclined; and it looks like bitter opposition to the Administration and its program, with the grouping of planets in the 4th; a nation on the warpath.

On the 2nd, Venus is square to Saturn; a rather sorrowful, disappointing influence, the reaction of the Moon passing thru Aquarius with those 8 afflictions. On the 4th, public excitement and sensational news; but it will be news that will please many.

The 6th and 7th are rather vicious days; be especially careful over this week end, accidents and deeds of violence are indicated.

The 9th should prove to be a very satisfactory day, with the Moon in Venus forming a number of good aspects; and Venus is trine to the planet of good fortune, Jupiter; good for all affairs, especially for pleasant financial and social activities. And with the Sun conjoined with Mercury it would point to a great deal of business activity. Thursday is also very satisfactory until noon.

The 14th is a very satisfactory day, and again extreme activity is shown, for we have the Moon in conjunction with Mercury, Venus and the Sun, of which we will have more to say later on. Mercury conjoins Venus, the planet of peace and harmony; but around 8 o'clock at night the Moon squares Uranus, and the Sun also square, so there will be many accidents that night. This may prove to be one of the focusing points of a rather exciting month; an unusually heavy list of accidents, and possibly earthquakes in some parts of the world; violent activity in war-stricken areas.

On the 19th and 20th, Venus squares to Uranus indicates much dissipating and carousing over the week end, with crimes against women and children very prevalent.

The 22nd is a rather satisfactory day for all affairs, also the 24th. Venus is trine to Saturn on the 27th; a very satisfactory influence, good for social activities, building, attending to legal affairs, and things in general.

"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism."

In September 10, 1920 issue of the "American Hebrew and Jewish Messenger", the following also appears.

"What Jewish idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities of the Jewish mind and heart are tending to **promote in other countries**" (Vol. 107 "American Hebrew", page 507.)

The three quotations just given to you are found in the Congressional Library.

The experience of Russia, where millions of Christians were killed, stands before us. Trotsky, the Minister of War, who, himself, ordered the killing of some three million Christians, is now our neighbor in the so-called democracy of Mexico. Then, we have before our eyes, the case of Hungary, where Bela Kun led the murder squads. Fortunately, we see that the tide has completely turned in Hungary, where steps have been taken to prevent a recurrence. Then, we have, for our benefit, the terrible experience of Germany, under the internationalists after the Armistice. Do you realize that Russia expected Germany to be the next State in Europe to go Communist? But fortunately, the character of the German people was aroused, and they have thrown off the Communist yoke.

Those who stupidly accept Communism as 20th Century Americanism should read the Manifesto of the 8th Convention of the Communist Party of the United States, in April 1934, declaring:

"The revolutionary way out of the crisis begins with the fight for unemployment insurance, against wage-cuts, for wage increases, for relief to the farmers—through demonstrations, strikes, general strikes leading up to the seizure of power, to the destruction of capitalism by a revolutionary workers' government."

If this does not awaken the American people, they would do well to read what Earl Browder declared in his book "What is Communism?", published in 1936:

"The revolution does not simply happen; it must be made. (P 163)

There must be what we communists call 'a revolutionary situation.'

Thus, some form of violence is unavoidable. There is no possible choice between violence and non-violence. The only choice is between the two sides of the class struggle." (P. 169)

If they are still unconvinced, they might turn to the September 9, 1928, issue of Pravda (Moscow official Communist organ), declaring:

Impeach Roosevelt: Repeal the New Deal Laws

"The world-wide nature of our program is not mere talk but an all-embracing and blood-soaked reality. It cannot be otherwise. Our ultimate aim is world communism; our fighting preparations are for world revolution, for the conquest of power on a world-wide scale, and the establishment of a world proletarian dictatorship."

At this point, I want to state most emphatically that I do not by any means endorse this proposition, that all Jews are communists, or that all communists are Jews. In the very nature of things, no loyal Jewish American can possibly be a communist. That outstanding Jewish American, Samuel Gompers, who was head of the American Federation of Labor, was so resolutely opposed to Communism, that he declared:

"I can think of nothing that would constitute a more needless and base betrayal of civilization than American recognition of Soviet Russia."

Individual Jews can be as good American citizens as anyone else, But, unfortunately, serious embarrassments are placed in their way by organized Jewry proclaiming that all Jews "are a distinct nationality." In his book "The Jewish Problem—How to Solve It", by the great Jewish leader Louis D. Brandeis, it is asserted:

"Let us all recognize that we Jews are a **distinct nationality** of which every Jew, whatever his country, his station or shade of belief is necessarily a member." (Page 25).

That is followed by the further assertion:

"Organize, Organize, Organize,—until every Jew in America must stand up and be counted—counted with us—or prove himself wittingly or unwittingly, of the **few** who are against their own people. (Page 26).

Such a condition of affairs manifestly creates divided or dual allegiance, wholly inconsistent with wholehearted loyalty to any Nation, by those affiliating with such organized Jewry. Brandeis' said proclamation can not be lightly brushed aside, when it is borne in mind that, in a world-wide poll of Jewish communities in 1937, he was elected (along with Red Litvinov) to the Jewish Hall of Fame, as among the 120 Greatest Living Jews) 1938 World Almanac, page 413).

Moreover, the existence of an organized World Jewry is also declared in Fireside Discussion Group Leaflet No. VII of the Anti-Defamation League of the Jewish B'nai B'Rith:

"Approximately a race, definitely a type, and consciously a unity, we are an historic people—a world community." (page 3).

The same proposition is reaffirmed by Rabbi Louis T. Loeb, of

Washington, D. C., who proclaimed his "creed" in favor of "Jerusalem as head capital of a United States of the World." (Who's Who in the Nation's Capitol 1929-1930, pp. 447-8).

All subversive activities are largely dependent upon false propaganda. The latest case of such propaganda is in connection with the war just closed in Spain, where, our sympathies were worked upon in the interest of the so-called Loyalist Government, one of the vilest governments in all history, now that the curtain has been raised and we see the complete picture. During the progress of that war, the press would not accept anything to the contrary. From coast to coast our people were fed with the most unfortunate kind of propaganda. With the war over, what are the facts, I quote the following from one of our National dailies:

"It took the last day of the Spanish war to strip the mask of democracy off the faces of Communism in the so-called 'Loyalist' government. The cleverly named 'Loyalists' had a lot of people deceived for a long time, particularly in the United States.

But when the last vestige of ideological camouflage and subterfuge has been removed, the fact that Communists had been running the Loyalist government of Spain stands out clearly and incontrovertibly.

The deluded and misguided Americans who have been giving their money and lending their names and reputations to the cause of 'Loyalist' Spain, thinking they were aiding democracy, must now realize that they were misled into supporting a Communist enterprise.

American educators and scientists and clergymen who thought they were upholding the cause of democracy must now at least understand that they have been stooges for Communism.

These Americans have been the victims of a brazen sham and a most deliberate fraud.

They have been in the company of the desecrators of churches and religious institutions, the despoilers of the sacred emblems and symbols of a people's faith, and mutilators and murderers of priests and nuns.

They have given moral support and financial aid to revolution and anarchy conceived in Red Russia.

They have abetted the spread of atheism and godlessness, by which Communism has striven to undermine civilization and to turn people from their faith in God." (Atlanta Georgian, March 13, 1939).

I ask you, wouldn't it have been better and fairer to our people to have given them the facts in reference to the Spanish situation

from day to day? With these examples before us, wouldn't it be better for us to enlighten the American people fully and frankly in reference to the serious problems confronting us today?

When I stated yesterday that the Army is not permitted to investigate communist activities, I was not merely surmising. The Congressional Record of Sept. 10, 1935, Col. 79, pp. 15270-1, which a NAVAL INTELLIGENCE MEMORANDUM of April 1, 1935, which described itself as "a comprehensive survey of communist activities in the United States at the present time", including "fringe revolutionists", "too lacking in intestinal fortitude to go all the way with communism, but who stand by and urge the communist to do his worst, and provide him with protection, sympathy and defense while he commits the overt act they have not the courage to commit themselves." In less than three months thereafter, the New York Times of Dec. 7, 1935, carried an article regarding this subject stating:

"Following a conference with representatives of religious organizations, President Roosevelt has instructed the Army and Navy to make no comments on any civilian organization or its policies without his specific consent, it was declared today by the National conference of Jews and Christians."

There has never been any denial of the matter set forth in this article nor is there any evidence of any investigation of communist activities by either the Army nor the Navy since then.

Now, let us come to my letter involving Mr. Louis L. Strauss, member of KUHN, LOEB & COMPANY, New York bankers. Let us expose that correspondence fully and completely to the light of day. I shall be glad to leave decision in the hands of the American people. Given the facts, their reactions, I find, are fair and just. The trouble today is that too often the facts are withheld from them and tainted propaganda is given out instead. The following letter is self-explanatory. I shall read it in full:

"April 17, 1939.

would like to arrange if you would be so gracious, to meet Mr. Louis L. Strauss who is a Member of the firm of Kuhn, Loeb and Co New York Bankers.

"I have known Mr. Strauss for some years and know many of his friends he is a most charming gentleman, of attractive personality and a real loyal American, was I think closely associated with President Hoover, holds a Naval Reserve Commission. Mr. Strauss stands high in the community, is President of one of the largest and most influential churches in New York, has a host of friends, General Harbord knows him well and I think you would spend a most profitable and enjoyable time with him.

"Mr. Strauss is most anxious to have a chat with you as he has been greatly distressed at quoted statements of yours in the press regarding his firm and which of course are not true as he can prove, and both he and I know that you will be most favorably convinced of the loyalty and true American spirit and actions of his firm and members thereof both in the past as well as now, and a chat of that kind would be not only fair, but I feel certain to your mutual interest. Knowing you as I do to be so fair, just, and honest I said that I bet that you would gladly meet him.

"Thanking you in advance for this courtesy and if you will let me know where and when we can meet it will be very much appreciated.

Brigadier General, N. Y.. N. G."

And here is my answer:

"Atlanta Biltmore, Atlanta, Georgia,
April 21, 1939.

"Brigadier General Walter A. DeLamater,
Headquarters Eighty-seventh Brigade,
New York National Guard,
Park Avenue and Thirty-fourth Street,
New York, New York.

My dear General:

Receipt is acknowledged of your letter of the seventeenth instant, in reference to a meeting with Mr. Lewis L. Strauss, member of the firm, KUHNS, LOEB AND COMPANY, New York Bankers. The matter to which he refers is only a very small incident in a world-wide problem.

Impeach Roosevelt: Repeal the New Deal Laws

6 Copies of this issue for \$1.00; circulate them among your friends

In the work I am trying to do, I am only interested in one thing, and that is the future of my country. That involves material questions which should be secondary, and American manpower and breeding which are, after all, primary and all important.

The condition of American manpower at any given moment is the barometer of ability to go on as a Republic.

Initially I never mentioned the word, 'Jew', in any statement, except once in New York City, (Indianapolis, Indiana) when I made an appeal to the Jews to help us lick Communism. From that moment they have attacked me at every turn in the road. In their publications they call me a Fascist, something I am not; and as far as I know, I have never seen a Fascist. I belong to no organization. The Jews have forced me to discuss the problem of the Jew in self-defense. They are doing everything in their power in an effort to intimidate me and to force me into the camp of their enemies. The feeling against the Jews is growing rapidly from coast to coast. History is repeating itself, and the Jews are making the same mistake that they have always made in actually compelling history to repeat itself.

Whether it is right or wrong, the Jews must bring themselves to the realization that the one hundred and twenty millions of people composing this nation are not going to be run by Jews, in whole nor in part.

In a few days, I am speaking in the Middle West. A letter comes this morning telling me that the Jews are moving heaven and earth to prevent it. They have done that several times before. They have gone so far as to threaten me with bodily harm. Do the Jews think that that makes for friendship with them? In all they are doing, they are simply promoting anti-Semitism. It all goes to make us realize that many a Jew in our midst is an actual menace, a fomenter of Communism and anarchy.

I go to New York quite often, but I do not care to meet Mr. Strauss nor any other Jew or Jews, until they put a definite stop to the action of the Jews who are attempting to curtail my freedom of action and my freedom of speech.

My mother was an Englishwoman, but I often have occasion to criticize the British and British policy as far as America is concerned. There is no difficulty when one criticized the British, the Irish, the Germans or the Italians; but let him mention the word, 'Jew', and immediately he is attacked.....But, the fact is that the most serious problem confronting America today is just this problem of the Jew and how to get rid of his influence definitely—locally, nationally and internationally.

The Jews may feel that they are in the ascendancy now; that they can beat the game this time. No, the American people are slow to act; it is difficult for them to sense the insincerity and dishonesty of propaganda, whether that propaganda comes from their government or from the outside. Slowly, however, they are becoming aroused to the dangers of the present situation, and when they act, they will act in no uncertain terms.

If I were the best friend the Jews have in the world, my advice to them would be to change their plans before it is too late!

I am enclosing a carbon of this letter so that Mr. Strauss may have it in full.

Very sincerely yours,

(Signed) GEORGE VAN HORN MOSELEY."

That closed the incident as far as I was concerned. It struck me that my letter was rather a complete answer, easily understood.

My letter to General DeLamater was dated April 21, 1939, and mailed on that day, I believe. How greatly was I surprised, then, in reading in one of those highly confidential reports furnished by J. E. Campbell, and dated April 26, 1939, the following statements:

"This, Gentlemen, is the Meranus Plan. It might interest you to know that we have tried to find Moseley's price. We even tried to arrange a meeting in Sir Bill's office, but were unsuccessful. Other means will be used to render him harmless, as we can not tolerate his actions. He is becoming a menace to us."

The same report continued:

"In closing, he also said Carp's plans for taking over or wrecking arsenals, depots or arms factories had been so well advanced that any Franco type of Nationalist up-rising in U. S. could be crushed at start, due to lack of munitions. (Carp, is Litvinoff's of Russia, brother-in-law)."

I have no objection to that statement, nor to the plan indicated to liquidate me, but the incident checks up so accurately with my letter of April 21, 1939, that I read the remainder of the report very carefully. The following was included in the same report:

"Example: Our enemy, Gen. Craig, will soon retire. If after he does, he should suddenly, due to acquiring heart trouble, or because of acute indigestion of some sort, change his address to—Arlington! We would be well rid of him. We can not afford any more Moseleys!"I reported this matter, confidentially, to General Craig, giving him a copy of General DeLamater's letter to me and my reply in reference to the proposed meeting with Mr. Strauss. I have since had an acknowledgement from General Craig.

From another secret report dated April 20, 1939, I take the following which will be of interest to this Committee:

" . . . I would like to announce right now, that in the face of the attack of the Dies Committee, the League for Peace and Democracy now has a membership of 4,025,920 members. The largest in its history. 2,814,372 of them are young men of military age, who will join the Peoples Army under No. 2 plan; or under No. 3 when time is right, will make possible a Soviet America. In either case, they can be counted on to purge the country of the Moseleys, the Coughlins, the Red Baiters, and all other Anti-Semites. . . "

As already stated, this Committee has heretofore found to what high places in the Government, Communism has penetrated. It is interesting to note how many of these individuals, also, are members of, or connected with, organized Jewry. If this Committee is interested in determining definitely the power of the Communists, in connection with the campaign for economic planning and regimentation, locally, nationally and internationally, it should study the organizations of the various planning boards, noting down the names of the directors of each and seeing how these directories interlock, so that the final control remains in the hands of a very few. Such a study will give quite a clear view of the problem and the difficulties involved; also, it will indicate in what organized group the power lies.

It is not generally realized how complete is the **Jewish** State as it is organized and operating **within** the United States—a nation complete within a nation. Your inquiry should include an investigation of the controlling organizations of that State. The big four are:

THE AMERICAN JEWISH COMMITTEE

THE AMERICAN JEWISH CONGRESS

THE B'NAI B'RITH (An international fraternal organization; membership open to both Zionist and Non-Zionist Jews. This organization does much of the espionage work of the Jews, in connection with the ANTI-DEFAMATION LEAGUE).

THE JEWISH LABOR COMMITTEE.

There are other powerful organizations of Jews which you will come to as you proceed. Bear in mind, their Nation is complete in every respect, including their own courts so prominently displayed recently in the press.

This question of Communism and national and international control will not be settled until it is thoroughly investigated at the top. We are not interested in the poor down-trodden Communist running down the alley, but we are interested in the great power at the top,

and the names of those individuals who control that power. I have had the temerity to challenge that great octopus and to expose it in an effort to protect our Republic. I wish to see control revert to an honest government and to millions of truly loyal Christian American people.

Every loyal American citizen will support all efforts of your Committee to save and preserve our great Republic by such frank and thorough exposure of the truth about existing conditions that the people will be on the alert against both revolution and counter-revolution, either of which would jeopardize our Republic's future. Our Republic must not be permitted to be taken over by either Semitism or anti-Semitism. Discrimination or persecution against either Jews or non-Jews is contrary to fundamental Americanism, and this notwithstanding the undeniable fact that our Republic is founded upon the Christian philosophy of life, and has been, on that account, properly called a Christian nation.

Yet it is obviously absurd, and courting national disaster, for us to sanction or permit dual or divided loyalties on the part of any group. Consequently, it is self-evident that those Jews who affiliate with organized World Jewry and thereby accept the status of being **its nationals**, as proclaimed by Brandeis, should be denied office-holding, suffrage and all other citizenship rights in the American Republic, just the same as we would deny such rights to **nationals** of Nazi Germany or any other Nation or Nationality. If American patriots are to be further harassed and persecuted as **un-American**, merely because of their efforts to make known to the public the real truth about the nature and character of organized World Jewry, we should hang a sign on the Statue of Liberty, saying:

"UN-AMERICAN ACTIVITIES WELCOMED. AMERICAN ACTIVITIES TABOOED."

(At the conclusion of the Statement, upon motion of Congressman Dempsey, seconded by Congressman Voorhis, **the Committee ordered the Statement's exclusion from the record of the proceedings.**)

"Your book on The Origin and Destiny of the Jews awakens one to search the history of the Jew Race, and opens one's eyes to read the Handwriting on the Wall. It clears up many questions as to why and the cause of the world's condition, and to be aware of the propaganda that the subversive forces through the press and radio are giving out to the public.

Your magazine is a very much needed educational ways and means of deep food for thought for the layman.

Sincerely yours for the bigger success for your magazine.

AN OPEN LETTER TO CONGRESSMAN DIES

By V. Cherep-Spiridovich, New York

June 10, 1939

Hon. Martin Dies, Chairman
Special Committee on Un-American Activities
Washington, D. C.

My dear Congressman:

Permit me first, in this open letter, to congratulate you on your Radio Address on the night of June 3rd, as I believe it will further stimulate the rising tide of Americanism which in turn spurs up Anti-Jewism, leading eventually to the return of Christian domination of our governmental administrations with each native American proud of his or her origin.

Former President Hoover once said, "You well know the wearing of hair skirts in the middle ages by way of reminder of sin and trouble. Somewhere lately I said that every man has a few mental hair shirts and that politicians differ only by their larger wardrobes—for certain individuals, newspapers, associations and institutions officiate as haberdashers in this regard."

From your address, it would seem that the most itchy hair shirt in your wardrobe is the enforced endeavor to white-wash the Mongolian Jew, his secret World Government and their satanic schemes of Communism, Bolshevism and Monism and at the same time smear our tried and true fighting Christian white Americans with a few mud pies mixed for you in committee meeting at the direction of the Chief Haberdasher of hair shirts, of whom former President Theodore Roosevelt (Aryan branch) said: (Chicago speech prior to attack on his life)

"The Jewish Invisible World Government, with slimy hands dripping with the heart's blood of widows and orphans and reeking with the foulness of national crimes, whispers in the ears of men in authority its traitorous mandates, and its influence penetrates the law making chambers of the nation."

Perhaps it would be well for the electorate of your Committee members to awaken and ask a few pertinent and embarrassing questions with a western application of tar and feathers for the erring ones.

In your address, you totally neglected the vital question of the

Mongolian Jews, who obtained entry and citizenship through perjury and who now constitute a pet revolutionary minority of more than 12 million. (Census shows more than 4¼ million Males registered as Synagogue members, Jewesses and minors are not registered.) You may recall, as a native Texan, that our 14th Amendment is one of limitation, limiting citizenship solely to Whites and freed Negroes, and barring all other races of color. The legal brief filed in the Jewish persecution of Robert E. Edmondson, a native born Christian, because of his pro-American activities, copies being on file before your Committee, proves that the so-called Jew of today is the Mongolian who adopted the Talmud as his so-called Religion and should not be confused with the Tribe of Judah of the Hebraic federation which was completely liquidated by Titus, the Roman. It was about these Mongolians that our Lord, Jesus, prophesied (Matt. 23:13-14-15) "Ye compass land and sea to make one proselyte, and when he is made ye make him two-fold more the child of hell than yourselves." And as Mr. Hoover so aptly remarked: "The sons of evil have at least collateral descendants in every generation." (The Jewish bankers crucified Hoover for this expose and caused the election of a more subservient vassal.)

Now taking up your point of religious intolerance. Had you read the Jewish Talmud, precise translations of excerpts having been filed before your Committee, you would at once recognize it as not the creed given by Moses but the by-laws of a gang of murderers and thieves. Its circulation in English would be forbidden by law as obscene and seditious. Its tenets as a whole are crimes against our laws. To call it a religion is to offend the common sense and decency of mankind. Yet your decent Jews believe and follow its teachings.

St. Paul said: "Jews please not God and are adversaries to all men."

Tacitus (117 A. D.) said: "The laws and institutions of the Jews are wrong and abominable. They obtain strength and power by sheer wickedness. Their code of morals is senseless and downright dirty. They are the haters of mankind, and they display hostility and hatred towards every non-Jew."

Napoleon, in the Council of the Empire, 1808, enumerated the abominable crimes of the Jews and said: "We must look at the Jews not only as a distinct race, but as on aliens. It would be a most awful humiliation to be ruled by this, the most base race on earth.

Nothing more contemptible could be done than the reception of

6 Copies of this issue for \$1.00; circulate them among your friends

Jews by you. . . I do not want more of them in my kingdom. . . Indeed. I have done all to prove my scorn of the most vile nation in the world." (Letters of Napoleon.)

Our American Courts have defined religious tolerance as follows: "All religious beliefs, doctrines and forms of worship **not inimical to the public peace** are free. . . However, the liberty of conscience hereby secured shall not be construed as to excuse acts of licentiousness or justify practices inconsistent with the peace and safety of the State." (Mormon Church cases.)

If there has been any intolerance in our country it is the Jewish attack upon our Christian culture, and a review of their overt acts in the past is set forth in the Edmondson brief, which the Jews could not refute or deny.

Alas! How true. Americans sure do need a thorough spiritual awakening. Not only do we refuse to execute the commands of our Saviour but our politicians and clergy seem to believe that He was "wrong" and that they are "wiser" than He: that we must not be as full of racial hatred as He was. Let such renegade Gentile vassals of Mongolian Jewry refute St. Matthew 23:15, and St. John 8:44. Give me Christ's truths any day over man-created falsehoods. Yes! We should love even our worst foes. That is **why** we must prevent the Mongolian Jews from doing their lust of murder—moral, mental, physical and spiritual. We must endeavor to prevent and cure their criminality. Love is one thing but connivance with crimes is a different matter. Day by day facts prove how amazingly right Jesus was, and the least we can do is to recognize His wisdom and desire to guide us safely in our everyday life. Why follow the anti-Christ?

As a soldier fighting under Major-General George Van Horn Moseley, while some of his white livered black and tan critics continuously betrayed our Country, permitting the Jews to flock in and entrench themselves in all worth-while positions and businesses, I will again follow him through all the Hell the Satanic Jews can create, not, however, to kill fellow Christians in furtherance in Jewry's satanic scheme of world domination, but to purge America of its enemies, be they Jewish plotters or Gentile participants, each group more contemptible than the other according to the point of contemplation.

Yours, etc.

NEW YORK'S HARMONIE CLUB

From "The Individuadist", Lincoln, Nebraska

Many newspapers reported the appearance of Dudley Pierpont Gilbert. They failed to report the plans against the Republic as were bert. They afiled to report the plans against the Republic as were disclosed by Gilbert's testimony. Comparison of these plans with events is startling.

Gilbert stated that three plans were discussed at the Harmonie Club which had for their purpose the taking over of our Government. They were:

PLAN 1 "called for a course of conduct leading to a general breakdown of government, ending in another bank holiday. The Farmer-Labor party was to be utilized in taking over the government."

PLAN 2 "calls for direct action such as was used in Spain, precipitating a revolution, starting with a wave of industrial strikes first. Government bonds are to be attacked."

PLAN 3 "Calls for achieving their aims by involving the United States in a foreign war out of which war will come a soviet form of government. They prefer this plan. It is the easiest; it can be less resisted by the pople of the United States, and they can accuse opponents of being unpatriotic." (Chicago Sunday Tribune, May 21, 1939.)

According to Gilbert's testimony, No. 2 is to be used only if number 3 fails to work. He went on to say that **there are 12,000 men now in Mexico who fought and who are available for plan No. 2.** As for Plan No. 1, it was abandoned because of the reverses to the so-called liberals in the last election.

From Arkansas:

Must say the May issue is the best yet; so I am enclosing \$1.00 for you to send this May issue to the following. . . . When I can spare a dollar to help the cause I will. I honestly believe you are on the right track as it goes along with other things I read. . . ."

From a new subscriber:

"The April issue of The Beacon Light is very instructive and educational; an eye-opener indeed. Wish it could be read by a million intelligent real American voters. Now, we understand why the slaughtering of breeding live stock, and the plowing under of needed food stuff; a shame!"

Another new reader:

"I have been tanking The Beacon Light for only a couple of months now, and I want to say I consider it the most important magazine I have ever read. I am enclosing three dollars which I hope will do its part in helping a most worthy cause. Sincerely,"

HAS MARTIN DIES SOLD OUT To The Jewish Banker?

By George E. Deatherage

Christ had His Judas. The War of the Revolution had its Benedict Arnold. The question before the people of Texas—and the nation as a whole—is whether or not we have a combination of Judas Iscariot and Benedict Arnold rolled into one, in the person of Martin Dies, Congressman from Orange, in the Lone Star State. In all probability only posterity will be able to give the answer to this enigma that today is perplexing the people of this nation. Could a man, honored with a seat on the Congress of the United States, assisted by the other members of his committee, **have sold out his people?** Millions of Americans, faced with the greatest crisis in the country's internal history, are convinced that he **has** sold out—if only for the proverbial mess of pottage.

This is my opinion. It is the opinion, not of a politician, not of a member of any political party, but of a plain American who talks plain talk and tries to keep his cards on the table.

Down here in the hills of West Virginia we are plain people. When we have something against a man we go to him with it. It is my understanding that the people of Texas are also plain and God-fearing people. A lie is a lie and a horse thief is strung up by the neck. A man who will put his brand on another man's cattle is due for a settling. Let us take a look at the brand on this Sacred Cow of Americanism, which Martin Dies has run his iron on.

We say "Sacred Cow," for the communists have appropriated the "Trojan Horse". The joke of the whole thing is—if there be a joke in it—that the "Sacred Cow" and the "Trojan Horse" are working in double harness. Communism is 20th century Americanism and "Christ was the first Communist."

About the middle of last year, the Dies Committee was created by the House of Representatives to investigate subversive activities in the United States. This was a committee similar to that which had been active in the previous session under the name of the Dickstein Committee. Dickstein is a Jew, and although he was greatly embittered by not having been appointed chairman, or at least as one of the committee, he was bitterest against his own people. For obviously it was they who stymied Mr. Dickstein, fearful of public reaction to his hatred for Christian Americanism. They needed a front, who although not of the Jewish faith, would do the job for them. That

Impeach Roosevelt: Repeal the New Deal Laws

job was to attack Communism but carefully to conceal that Jewish leadership and Jewish bankers were directing and financing the movement. They secured Mr. Dies; and we must concede that he has fulfilled all their expectations. Do you hear any howl from the Left Wing press about Mr. Dies? Nary a howl. They have even stopped baying at the moon.

Mr. Dies and his committee started out with gusto. They dipped their branding iron in printer's ink and began a round-up of strays. They hit the Communists, they chased the patriotic organizations, they unearthed the Bund, and the air was filled with the whistlings of their wind-blown mounts as each dry wash swirled with the black water of the CIO Newspaper Guild.

The Left Wing press, on the surface, was jittery and the patriots thanked God for Congressional assistance in rounding up the alien herd. All except a few of us—who suspected that they were rustlers, kept our powder dry and told Mr. Dies, officially in letters to his committee, that we did not believe they had the intestinal fortitude to go through with it. However, being persuaded by some of the patriotic leaders that maybe these lads were "right", we made eight or ten requests to appear before the committee and offered it our files and help. **Mr. Dies did not reply to these offers.** We told him that we did not think he had what it took to get the men at the top, but if we were wrong we would apologize and assist him in every way possible—that being the way with **men**. If we're wrong, we'll say so, shake hands and buy a drink.

The next thing happening was, that Mr. Dies sent a half-breed by the name of Metcalfe down to see me personally, accompanied by a court stenographer and **a policeman**, to take my evidence. Being what I consider a reasonably good citizen, I told this maverick that I would give him an interview. I told him a few bare truths, but as I related them, I stated as well that he would never take the gist of them to Washington—having a hunch that the only evidence he wanted—or that Martin Dies wanted—was such as confirmed conclusions already arrived at.

Metcalfe left. Within fifteen minutes the local postmaster phoned me that this Dies Committee maverick had lost his notes and would I help him find them? The investigator, the stenographer and the policeman had not left town before they lost the interview. **That interview implicated influential men, Jews and non-Jews, both in and out of Washington** and so neither Dies or Metcalfe had the nerve to put it in the record. Metcalfe knew his boss.

Said Metcalfe returned to the Capital ranch and spilled a lot of

junk in the ears of the owner of the Sacred Cow and it pleased him mightily. "Well done, good and faithful servant. Thou shalt feed on bunch grass the rest of thy life, and have a waterhole all to thyself. Go now and spread the good word amongst the multitude, at lecturing rates, using of said junk which has been so collected on taxpayers' money." And lo! the half-breed went forth and consumed much hay in the journey.

In succeeding months, Mr. Dies and his group did much talking and raised much storm in the press. The reporters, being wise, listened and chuckled secretly at the great news—which they knew had been published years before in Mrs. Dilling's Red Network, and which could have been bought by anyone for exactly one buck.

Mr. Dies spread himself. He accused dozens of Christian patriotic organizations of being rackets, of being Nazi or Fascist, of being Un-American. Mr. Dies did not like them. However, he was guilty of the first crime of un-Americanism; **convicting a man without putting him on the stand in order that he might defend himself.** Mr. Dies and every member of his committee were safe behind the law of Congressional immunity. They knew they could not be touched except as one of the victims might catch them on the public streets and administer a personal thrashing.

The men whom the committee branded as racketeers, and promoters of racial hatred and bigotry, had among them fine citizens who had sold their homes, cashed in their life insurance policies, beggared their families and well-nigh gone about in borrowed clothes, that the word and law of Jesus Christ might not be destroyed. They never knew where their next meal was coming from. They steadfastly believed that their Christ would not desert them. They had faith in Him who died that they might live. To follow in His footsteps was all they wished. And at night, when the day's uncertainties had creased their brows with care, some of them had nightmares of those great heaps of young and naked Christian children who had dotted the fields of the Ukraine, sacrificed to similar Dies Committees of the Kerensky regime.....They had nightmares of the fifteen thousand churches burned in Spain. They had nightmares of more than twenty thousand Christian priests who had died by torture rather than surrender their faith in their Lord. They had nightmares of Nuns whose bodies, dug from graves, were stood up in the streets of Madrid to be spit upon. They had nightmares of other servants of Christ, soaked in gasoline and burned alive. But that was not the end of the troubled dreaming. . . .

They dreamed of over seven hundred thousand Christian souls in

Hungary, which the Jewish butcher Bela Kun had sacrificed to the leadership to which Martin Dies by his public crucifying of patriots, now does homage. They dreamed of the women and children of Munich whom Ernst Toller, later in America as the pride and joy of the Liberals, had shot as hostages. It was the sworn antagonists of these—patriotic Christian people—whom Dies was condemning without public trial. He was judge and jury. "Strike that from the record!" "You shall not present evidence but only answer questions, which we, both Judge and Jury, shall ask you!" "Shut Up!" "Sit Down!" "Here standeth the Keeper of the Sacred Cow!" "Speak only as thou shalt be directed!"

Then behold, they came upon a plot, hatched by influential and powerful Jews in the Harmonie Club of New York. These were plotting to destroy the Christian government of the United States—and they referred to "**Our Man Dies,**" as one who would do their bidding. Their conversations were supposed to have been overheard by one George Rice, who waited upon them and served them drinks. This Rice, whom the agents of the FBI and the Dies Committee have strangely not been able to find, sold the record of these conversations to Dudley Gilbert of New York.

Gilbert sent them to Capt. James Campbell of Owensboro, Ky., past National Chairman of the Subversive Activities Committee of the United States Reserve Officers. Campbell in turn had all or parts of them copied and sent out to other retired and reserve officers for their information. In all, about forty were recipients of these reports, which we must remember were supposed to be reports of a subversive plan against the U. S. Government. They contained the names of Morgenthau, Kuhn, Medalie, Bloomingdale, Strauss, Lehman and other powerful Jewish politicians and international bankers—**and the name of Mr. Dies himself!**

I maintain that Mr. Dies knew that his name was in these reports, yet he did not retire from the bench until he was cleared of this plot against the Government. He took the lead in summoning before him and his committee, **not the plotters against the Government, not the waiter who had overheard the plot,** but the men who were, if such charges were based on fact, fighting for this government and all for which it stands.

Included in the number who were summoned before this American Soviet OGPU, were Maj. Gen. George Van Horn Moseley, at one time Assistant Chief of Staff of the U. S. Army and one of the few men to have won two Distinguished Service medals from the government, and myself. At the time both of us had questioned the accuracy of the

reports by writing to Captain Campbell asking for the details. **The letter in which I questioned the reports was seized by the committee,** and the committeemen knew when they summoned General Moseley and myself that we would not use it until we had established its truth. That letter is part of the record. All of us did know, however, that the reports of the Jewish plot fitted our information from other sources as a key fits a lock. Yet we insisted upon being certain that they were facts and not rumors. And the keeper of the Sacred Cow was aware of it long before we were summoned.

It is pertinent here to note that the truth or falsity of these reports has not been established. No attempt was made by the committee to establish it.

Was it, one might ask, **because the name of Mr. Dies appears in them as one who would do the bidding of the plotters?** Queer business! One must make up his own mind after he has read this record.

None of the high Jewish "plotters" was subpoenaed to take the stand. None so far as I know, ever has been questioned. The waiter has not been found. The Keeper of the Sacred Cow, he who made himself both Judge and Jury, branded them "fantastic," and carefully kept from the public **that he himself was mentioned as a stooge for the Higher-Ups!**

Did any of you read this in the press accounts? You most certainly did not!

Those called to the stand were Captain Campbell, Felix McWhirter, Dudley Gilbert, John Hamilton, General Moseley and myself. The first to testify were Gilbert, McWhirter, Campbell and Hamilton. They were instructed before the hearing started, **that they were not to present any anti-communistic or other kind of evidence!** They were ordered to answer the questions put to them by the committee and its attorneys and nothing more. On the stand these men were subjected to a merciless cross-examination. They were brow-beaten, bullied, stampeded under a battery of flash lamps from more than a dozen photographers who exploded the bulbs in their faces. Only torture itself was omitted. And all the time, not only the press, the photographers, but even the members of the committee and their assistants in the box were laughing, sneering and making fun of the witnesses. There was no attempt made to get at the truthfulness of the reports. The court had already arrived at its decision. So rotten was the procedure that Congressman Thorkelson of Montana protested it on the floor of the House—all of which is part of the Congressional Record.

It became overwhelmingly obvious that the whole procedure was

set up as a Jewish OGPU to discredit the men who had discussed forming a national Christian organization to fight the Jew Communist influence in Washington, and then throughout the nation. They were to be bullied and ridiculed that the plan might go on.

Note this following from the Protocols of the Elders of Zion, No. XIX:

"In order to destroy the prestige of heroism for political crime, we shall send it for trial in the category of thieving, murder and every kind of abomination and filthy crime. Public opinion will then confuse in its conception, this category of crime with the disgrace attaching to every other, and will brand it with the same contempt."

Thus spake the leaders of international Jewry.

Has anyone ever read a more accurate description of the circumstances in this case? Is it any wonder that Henry Ford stated, that he did not care whether or not the Protocols were true—that they had fitted the case for seventeen years and they fit it today?

As the "trial" proceeded, constant references were made by witnesses to the fact of this being a Christian government, or a Christian nation. **Each time the term Christian was stricken from the record!** It became apparent that Mr. Dies was not going to permit the word Christian to go into the record. I decided to challenge him when I first took the stand, and make him admit that the Supreme Court has ruled: that this is a Christian nation. When I demanded a Christian oath, Mr. Dies tried to dodge the question and finally had to admit it. Then he got tough and ordered me to sit down—Bull-in-the-China-Closet tactics which had intimidated previous witnesses.

It was then that I challenged Mr. Dies to "come out of that box and **make** me sit down." It was then I realized that the man was plain yellow. This peerless son of Texas, where men are men and to date have behaved so, got up, made two steps forward and called the officers.

The other witnesses were smaller than Mr. Dies. I am as big as he is, physically, and therefore was taking no bodily advantage. But the Keeper of the Sacred Cow from the wide plains of Texas decided he did not want to get himself messed up. He does not want it now. What he will do is to call Federal officers to do his bidding and by every sort of persecution and intimidation hound those whom he can not intimidate.

That, good people of Texas, is the "tough guy" who represents part of your Lone Star State. Shades of Davy Crockett!

The trial went on.

I was only to answer questions, but managed to get in a few short hooks to the chin when Dies was off his guard. Once he wanted to know why, if witnesses had discovered a plot against the Government, they had not turned their evidence in to Government officials. I replied that it was none other than Mr. Dies himself who had loudly claimed to the press that neither Mr. Roosevelt, Madamperk nor the Attorney General's office would give **him** any help, that the Intelligence Division of the U. S. Army and the Intelligence Service of the U. S. Navy had been forbidden to investigate subversive activities. How then were they to treat the evidence of civilians? The answer was obvious, although Mr. Dies at once raised an objection and attempted to prevent this going into the record.

At the end of the inquisition, I made a plea to present my evidence before the committee. I told them that I and my supporters had two tons of it, that it would require at least thirty days to get it together, and we must have two large rooms to exhibit the documents. I could hardly be expected, on receipt of a telegram, to bring in all this material, pay for the photostats, have the typing done and present it for them to look over, all at my own expense. In short, neither I nor anyone else could be expected to solve the mystery of a world crisis in a couple of days, and certainly I did not carry the evidence around in my pants pocket. The vague reply was that "they **might** look into it. Hearing is dismissed."

Is it any wonder that I have stated for the record that here was the greatest farce of all time, a Billy Minsky burlesque, a travesty on decency, **as rotten a mess as ever was concocted by white livered politicians?**

The next on the stand was Major General George Van Horn Moseley, a man with forty years' service in the Army to his credit and at one time next to the highest ranking officer in the armed forces of the United States. He was the man who had been in charge of service and supply on the battle fields of France, a man who had stopped a large scale battle single-handed in Mexico and awarded the highest honors his nation could bestow on him in consequence. But it was decreed that Moseley should be branded a jackass by the Keeper of the Sacred Cow, Martin Dies, branded as a jackass by civilians who on the field of battle would have been shining his shoes. Down with Moseley! International Jewry had decreed it in New York and Martin Dies fulfilled what was said of him in the Harmonie Club reports—"Our Man Dies."

Impeach Roosevelt: Repeal the New Deal Laws

The committee refused to permit General Moseley to make a statement. He too was to answer questions only. However, the General had been tipped off and brought with him that peerless fighter, **Congressman Thorkelson of Montana**, who would read the General's statement on the floor of the House if the committee refused. The committeemen went into a huddle. Whether or not they called the Harmonie Club is not known. But they finally permitted the General to read the statement—and then struck it out! The umpire was to call a strike, no matter what kind of a ball was thrown. Even if it were struck foul into the grandstands—"Strike!" cried the Keeper of the Sacred Cow.

And so, down goes the curtain on what future history will record as the rottenest betrayal of the American people since the days of Benedict Arnold. Arnold only betrayed soldiers, knowing that if caught, he would be shot. Dies and his committee are betraying the whole nation—women and children—hiding behind Congressional immunity. They know that the press will not give their victims publicity. There is no chance for the truth to become known except that it be made known by mediums like this monograph.

One thing only is needed for the American people to ask Martin Dies:

"Why—knowing that you were accused in the Harmonie Club reports as being the tool of the Jew bankers—did you not withdraw from the committee until the investigation was complete?"

"Why did you conceal from the press that you personally were implicated?"

"Why did you crucify General Moseley, knowing that he was too much of a gentleman to expose you publicly?"

In closing, I want to say that my John Henry is signed to this paper. I am attacking Mr. Dies and his committee personally. I mean every word or implication herein and Mr. Dies or any member of his committee can have any kind of personal satisfaction from me that they feel they would like to have. That is the American way—in West Virginia as in Texas.

GEO. DEATHERAGE.

St. Albans, W. Va., June 8th, 1939.

"I thank you for the January issue of The Beacon Light which was received a few days ago and read with great interest. It's the most interesting magazine I have ever read.

Impeach Roosevelt: Repeal the New Deal Laws

The following letter has just been received from a prominent world war veteran in New York:

"My Dear Kullgren: Leaving for Washington this morning to attend a mass meeting there tomorrow night, June 3rd, the first anti-Jew-Communist open meeting ever held down there.

Now the reason for my writing you is the fact that for months you have been publishing in The Beacon Light that Russia and Germany would come together with an understanding, a military and commercial alliance, in a short time.

Personally I thought you were screwy, for I am pretty well informed on these matters, having around me advisors of international importance, and men of the old Russian Regime, "White Russians".

I thought you would like to know that yesterday I was the guest of _____ (an important Russian military officer, that is the reason I am in New York these past few days.

That pact that you have been speaking about for months between Hitler and Stalin has already been signed, and Hitler had demanded that all Jews be driven out of political and economic power in Russia. That is the reason Litvinov was fired; he is an agent of the House of Rothschild. So now you know why the Jews are refused admission to Russia; Stalin has turned against them, and Russia before this year ends, will become Fascist, or rather Nazi, the middle or conservative course.

Hitler has already sent his best organizers into Russia to get the country into shape for a war against the Jew controlled so-called "Democracies". Of course this only means Europe; America is not included.

x I am behind Senator Vandenberg for President, the Jews do not own him. Please pass this message to your people."

The above letter speaks for itself. We make the statement, without fear of successful contradiction, that there is a secret pact between Hitler and Stalin; and that is why there has been a wholesale extermination of leaders in the Red army. They were men who belonged to the Trotsky-Lenin regime, either Jews or Jewish sympathizers. Stalin is carrying out Hitler's orders, and preparing the way. Litvinoff was removed from office for the same reason.

For the past year we have been telling you that all the dictators are backed by powerful Jews. What is now happening, is the battle between two branches of Jewry. Those of you who have not read our last December number, GERMANY, should get it; (6 copies for \$1.00.) And in this connection, get a copy of 'Hitler Over Europe',

and 'Hitler Over Russia'. Therein, you will find the names of these powerful Jewish industrialists who brought Hitler into power. Very few people in America really know what is going on in the international battle; a study of anti-Jewish or anti-Communist literature alone can not give it to you. One needs a background of astrology; one needs a background of the Bible; and one needs to be a profound student of the various social and economic movements of the past hundred years; and then blend them together. Then you can prophesy with about a 98 per cent batting average; and I believe that during the past 25 years that has been our record, but especially during the past 7 years during which we have published *The Beacon Light*. Most students make the fatal mistake of leaving out the Bible and astrological prophecies; the trinity of the Bible, Astrology and the Pyramid are the three divine sources of prophecy.

We have repeatedly stated that Germany and Russia would combine. When that day comes, Hitler is through, and another will step into his shoes. In the meanwhile, a trap is being set for the British Lion to walk into: namely, the past between Russia and England and France. Russia is driving a hard bargain, and she will win. At the proper time the combined Russia and Germany will almost put to death those two nations; and the United States will be caught in the same trap if she is a party to that alliance. Nothing but Divine intervention will save the British Empire from total destruction. That intervention will be made. That treaty that England and France are about to make with Russia will be a covenant with hell.

We have repeatedly warned our colleagues in the anti-Communist fight to steer clear of all Fascist groups, especially German and Italian; for again I say, Italy and Germany and their victims will join hands with bloody Russia, and you will be caught in no-man's-land. The Communists in this country will be forced to swallow the countries they are now hating; namely, Germany, Italy and Japan.

I shall earn your suspicion and distrust, with my message, and be forced to stand practically alone, now; but where will you stand in that day when this becomes an accomplished fact? The changes of the next few years will be startling. Roosevelt and Hitler will be out of the picture; and a more bloodthirsty type will succeed Hitler in Germany, one who will be ruthless. These combined nations will attack the United States and Canada.

Russia will not fight Japan; there will be a compromise. Japan will be pacified with huge concessions of territory in China. The one thing for the United States to do, is to have no treaties with any country at the present time. Britain, with her Jew control, is unrelia-

ble at the present time just as this country, with its Jew control, is unreliable at the present time. When the Jew control is broken in these two countries, they will unite against the common enemy. This they must do, or suffer annihilation. And that will again be a bitter pill for many Americans to swallow. The self-styled leaders of today will run for cover when these things come to pass, and God-inspired men and women will rise up to take their places.

I have repeatedly told you that the only way you can earn protection is in service. Again I say, see that The Beacon Light message reaches your friends and neighbors; then you have done your part, it's up to them.

We have during the past couple of months gained about a hundred new subscribers; almost every one has written us to the effect that it is the message they have been looking for. Some of these letters are touching; tragically so. One man, who subscribed in May, and immediately after reading his first number sent a check for 50 copies of the May issue, sent in for 100 copies of the June issue as soon as he had read that number.

The Beacon Light has indeed been what its name implies; and we have made no false moves. And in all humility we say we have been from one to two years ahead of our colleagues in the field. It's not a question of agreeing with us, or believing us; the facts show that we have been correct on every major issue, a record not equalled by any of our co-workers.

Please do not accuse me of boasting; I am merely stating facts. And I gladly acknowledge that I have been spiritually inspired throughout my work. I have repeatedly told you that only men and women who were inspired could lead you through the morasses of the next few years. Even my rich background, and a lifetime of training, is not enough; it needs the spiritual blending. We must all walk humbly before God.

From an old subscriber:

"Your February Beacon Light is the best thing I ever read. I notice you are selling 6 copies for \$1.00; wonder if you would send me 9 copies for \$1.50? I think I know where I can use 9 copies; am enclosing a check for \$1.50. . . j ."

From another old friend:

"Your February number of the Beacon Light is great. I am enclosing a check for \$2.00, one dollar of which is to be applied for renewal to my subscription and one dollar for a half dozen copies to be marked and sent to great leaders who think the Jews are God's chosen people. . . ."

From Ohio:

"Enclosed you will find one dollar for stamps for your own use. Your Horoscope was very good; it is worth the money. . . ."
